American Penstemon Society Projects Program.

The [American Penstemon Society](#) (APS) is seeking high-quality proposals for activities that promote knowledge and appreciation of Penstemons. The Society is particularly interested in **funding projects that promote conservation of Penstemon species in the wild, or promote appreciation for the diversity and beauty of Penstemons in wild and domestic landscapes**. APS may provide up to \$1000.

In addition, **we offer a maximum of \$5000 to support graduate student research on any aspect of Penstemon biology**.

For more information [click here](#) and on the APS website, <https://penstemons.org/index.php/society/grants>.
